

School of Commerce and Management

The school is committed towards creating, preserving and imparting internationally benchmarked knowledge & skills to a diverse community of students. The School apart from providing a variety of opportunities for students to improve their employability is, capitalizing on the industry and academic experience of its faculty to prepare students to work effectively in today's complex and challenging business environment.

The School of Commerce and Management is offering undergraduate commerce courses ([B.Com./B.Com - Hons.](#)), . The commerce courses are industry oriented with a right mix of knowledge in areas of Commerce, Finance and Financial Analysis. The emphasis of the courses is to impart training to future finance professionals to master various financial instruments to face global challenges. The emphasis is given on not only making the students academically brilliant, but true leaders and team players, thus preparing them for the real life corporate world.

The objective of management courses, both undergraduate ([B.B.A.](#)), postgraduate ([M.B.A.](#)) and integrated programs offered by School of Commerce and Management is to enable students to embark upon a management career. The learning environment will nurture the spirit of enquiry, creativity, problem solving, entrepreneurship & innovation and promote hands-on & cross-disciplinary learning & inculcate a raft of values, job & life skills. The objective of the school is to expand with international focus, forming partnerships with universities globally. The courses will provide opportunities for all the students to expand their horizons, both personally and academically, and help them getting industry ready when they pass out from the University.
